A 36-stitch sphere with three straight rounds for the face; the ears are long, flat and floppy.

1 · Materials

Yarn	DK (#3) 100% cotton (or a baby-safe certified blend), about 60 g - cream, sage, dusty pink or pale grey. Only the head is stuffed.
Hook	3.5 mm (US E/4) for the blanket; use 3.0 mm for the head if your tension is loose.
Eyes / floss	None - the face is embroidered in dark brown or charcoal cotton floss, ends knotted inside.
Also	About 8 g fibre fill, tapestry needle, stitch marker.

Each round adds one 3-dc group to every side and one to each corner: +12 dc per round.

GAUGE & SIZE

About 4.5 mm per stitch and 4.3 mm per round on the head. Check on the blanket after Rnd 3: 9 dc along an edge should measure about 39 mm; narrower and the blanket comes out small. The square grows about 1.3 cm per side per round: 18 rounds = 23 cm, 20 rounds = 26 cm, 22 rounds = 28 cm.

Abbreviations (US terms)

MR magic ring	ch chain

inc 2 sc in one st	dec invisible decrease
sl st slip stitch	sp space
FO fasten off	(n) stitch count

2 · Techniques

Everything this pattern uses, in the order you will meet it.

1

Magic ring & spiral

The head and each ear begin with a magic ring and are worked in a continuous spiral (no joins, marker in the first stitch); pull the tail tight after round one.

2

Joined rounds

The BLANKET is worked in JOINED rounds: each round closes with a slip stitch and the next begins with a ch 3 (counting as the first dc) - a different rhythm that lets the square grow out evenly.

3

The granny-square corner

Every blanket corner is (3 dc, ch 2, 3 dc) into one corner space. Those four corners make the piece square instead of round. Miss one corner group and the whole square pulls out of true - check all four at the end of every round.

4

The border round

One final round of single crochet around the edge with 3 sc into each corner space squares the edge and stops the blanket curling. Do not skip it.

3 · Head

A 36-stitch sphere with three straight rounds for the face. The finished head is about 4.9 cm across and 5.3 cm tall.

A 36-stitch sphere with three straight rounds for the face; the ears are long, flat and floppy.

FO and close with the tail. Stuff **FIRMLY** - a soft head collapses when gripped and the face distorts.

Flatten and FO with a long tail. Sew to Rnds 4-6 of the head, about 10 stitches apart, pinching each base so it flops forward.

- Face - with dark brown floss: two small sleeping arcs on R8-R9, 6 stitches apart, and a small Y-shaped nose and mouth centred one round below. Knot every end inside the head before closing R14.
- Cheeks - two small pink stitches, or leave plain for a very calm face.

4 · Granny-square blanket

Worked in joined rounds from a chain ring. Every round adds one 3-dc group to every side.

Total dc per round

R3	36 dc	(36)	
R5	60 dc	(60)	
R10	120 dc	(120)	
R15	180 dc	(180)	
R20	240 dc	(240)	60 dc per edge + 26 cm square

Each round adds one 3-dc group to every side and one to each corner: +12 dc per round.

- Ch 4 and sl st to the first ch to form a ring.
- Rnd 1: ch 3 (counts as first dc), 2 dc in the ring, [ch 2, 3 dc in the ring] x 3, ch 2, sl st to the ch-3 top. [12 dc, 4 corner spaces]
- Rnd 2: sl st into the next corner space; ch 3, 2 dc in that space, ch 2, 3 dc in the same space (first corner); then (3 dc, ch 2, 3 dc) into each remaining corner space; sl st to close. [24 dc]
- Rnds 3-20: into every corner space work (3 dc, ch 2, 3 dc), and into every space along a side work 3 dc. Each round adds one 3-dc group to every side (+12 dc per round).
- Border: work one final round of sc all the way around - 1 sc into each dc and 3 sc into each corner space - then sl st and FO. Rnd 20 has 240 dc: 4 corners x 3 sc + 240 sc = 252 sc. This firms the edge and stops the square curling.
- Size check: about 1.3 cm per side per round. 20 rounds gives a 26 cm square; the diagonal corner to corner is about 37 cm before the border and about 43 cm with it stretched flat - a good size to hold and drag.
- Fewer rounds for a smaller lovey (18 rounds = 23 cm) or more for a larger one (22 rounds = 28 cm) - the counts simply continue by +12 per round.

COUNTING A GRANNY ROUND

Rnd n has $12 \times n$ dc. If you are unsure which round you are on, count the 3-dc groups along one side: on Rnd n there are n groups on each side including the two corner halves.

5 · Assembly & finishing

BEFORE YOU SEW - LAY EVERY COMPONENT OUT AND CHECK

1 head (closed, firmly stuffed) · 2 ears (flat) · 1 granny square, 20 rounds + border · face embroidered, ends knotted inside

Ears

Sew the flattened base of each ear to Rnds 4-6 of the head, about 10 stitches apart. Pinch the base so the ear folds forward and flops. Sew round twice.

Head to blanket

Place the head at the CENTRE of the blanket (over the ch-4 ring), face toward one corner. Sew the head's closed base (R12-R14) to the centre 3-dc groups with a doubled strand, going round twice - this is the seam a baby drags the lovey by.

Face

Sleeping arcs on R8-R9, 6 apart, Y nose below. Everything embroidered; no safety eyes or buttons on a comforter.

Ends

Every floss end knotted inside the head; every yarn end woven in at least 5 cm and trimmed.

Wash test

Cotton loveys are washed a lot: wash once before gifting and check the head seam and ears afterwards.

6 · Troubleshooting

The blanket is round, not square. You are missing corner groups. Every corner must be (3 dc, ch 2, 3 dc) into the ch-2 space, all four, every round. Count corners before you join each round.

The edge ripples or curls. Ripples: too many groups on a side - each round adds exactly one per side. Curls: you skipped the sc border round, or worked it too tight - 3 sc in each corner space.

Colourways

Cream

Sage

Dusty pink

Pale grey

Butter yellow

Left to right: cream, sage, dusty pink, pale grey, butter yellow. One colour throughout is calmest; a contrast border round is the easiest way to add a second.
