Momo the Loaf Cat

At a glance

Terminology	US Crochet Terms
Skill Level	Easy
Finished Size	Approx. 10.5 cm (4.2 in) long × 7.5 cm (3 in) wide × 7.5 cm (3 in) tall at stated gauge — confirm on a sample
Gauge	11 sc × 11.5 rnds = 5 cm (2 in)
Hook	3.5 mm (US E-4)
Materials	**Yarn A (Ginger, Calico, or Grey):** Worsted (#4), ~30 g **Yarn B (White):** Worsted (#4), ~4 g (chest & tucked-paw embroidery) **Yarn C (Pink):** Scrap for nose **Eyes:** Two 8 mm black safety eyes **Notions:** Polyester fiberfill (~25 g), 2 stitch markers, tapestry needle, scissors

Safety — read first.

Lock safety-eye washers firmly inside before stuffing and check by hand; safety eyes are a choking hazard if detached. Not for children under 3 unless the finished item meets your market's toy-safety requirements.

1. Oval Loaf Body (Yarn A)

Worked bottom-up from an oval foundation chain.

Foundation: Ch 13.

R1: Sc in 2nd ch from hook, 10 sc, 3 sc in last ch; working along opposite side: 10 sc, 2 sc in first working ch (26)

R2: inc, 10 sc, inc × 3, 10 sc, inc × 2 (32)

R3: sc, inc, 10 sc, [sc, inc] × 3, 10 sc, [sc, inc] × 2 (38)

R4: 2 sc, inc, 10 sc, [2 sc, inc] × 3, 10 sc, [2 sc, inc] × 2 (44)

R5: 11 sc, inc, sc, inc, 11 sc, inc, sc, inc, 16 sc (48) (the two inc–sc–inc groups should fall on the narrow end curves; if your round start puts them on a long side, work to an end curve before starting this sequence and adjust the final plain-sc run to end the round)

R6: sc in each st around (48)

R7: BLO sc in each st around (48) (flat bottom edge)

Orientation: Fold the oval lengthwise and place a marker **in the space at the exact centre of the narrow front curve** (between the two middle stitches — Face Centre line) and likewise at the narrow back curve (Tail Centre line). Count ear/eye positions outward from these centre lines.

R8–R13 (6 rnds): sc in each st around (48)

Insert 8 mm safety eyes at the front curve between **R11 and R12**, in the **3rd stitch to the left and the 3rd stitch to the right of the Face Centre line** (6 sts apart centre-to-centre). Lock washers inside.

R14: [6 sc, dec] × 6 (42)

R15: [5 sc, dec] × 6 (36)

R16: [4 sc, dec] × 6 (30)

R17: [3 sc, dec] × 6 (24) (stuff firmly, keeping the BLO base flat)

R18: [2 sc, dec] × 6 (18)

R19: [sc, dec] × 6 (12)

R20: dec × 6 (6)

FO and weave tail through front loops of remaining 6 sts to close.

2. Surface-Crocheted Ears (Yarn A — worked onto the head)

Hold the cat facing you. Ear bases occupy stitches **3–6 out from the Face Centre line** on each side, leaving the 2 stitches nearest the line on each side (4 stitches total) unworked between the ears.

Right Ear: Join Yarn A with a sl st into the surface of **R14 at the 3rd stitch to the right** of the Face Centre line; ch 1:

Row 1: Work **4 sc** diagonally up and outward from R14 to R15, ending at the 6th stitch to the right; ch 1, turn (4)

Row 2: Sc2tog × 2; ch 1, turn (2)

Row 3: Sc2tog; ch 1 to lock, FO and weave in tail (1)

Left Ear: Join Yarn A with a sl st into **R15 at the 6th stitch to the left** of the Face Centre line; ch 1. Work **4 sc** diagonally down and inward to R14, ending at the **3rd stitch to the left**; then repeat Rows 2–3. The ears now mirror each other, with 4 unworked front stitches between their inner (3rd-stitch) edges.

3. Tail (Yarn A)

R1: 6 sc in MR (6)

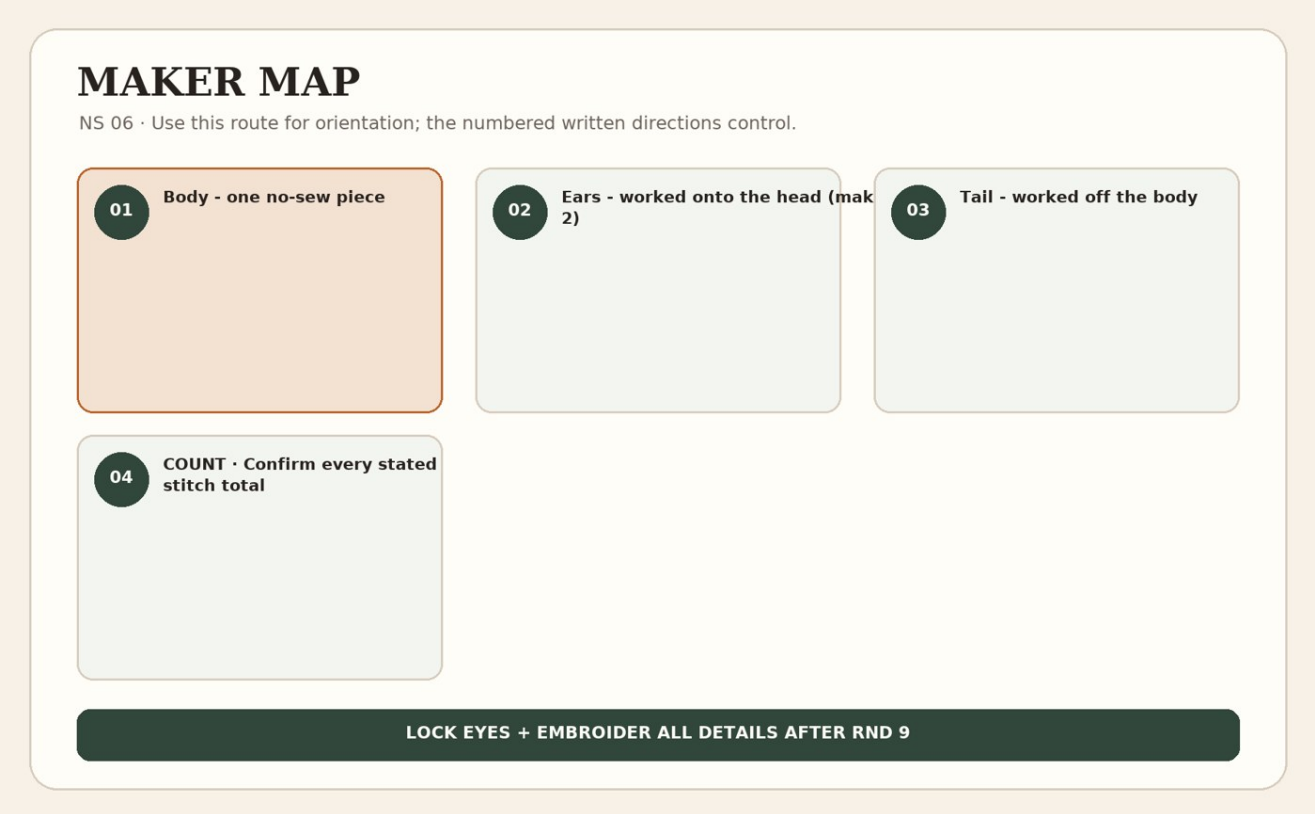

R2–R11 (10 rnds): sc in each st around (6)

Do not stuff. Flatten and work **3 sc across both layers** (3). FO with a 25 cm tail. Sew the tail base to the narrow back curve at **R8–R9**, curve the tail around one lower flank, and tack the tip against **R8–R9** on that side.

4. Face, Chest & Tucked-Paw Embroidery

1. **Nose & mouth:** Embroider a pink triangle nose centred on the Face Centre line between the eyes over **R10–R11**, with two small curved mouth lines below it at R10.
2. **Chest & paws (Yarn B):** Embroider a vertical satin-stitch oval on the centre chest over **R8–R9**, flanked by two small horizontal white ovals along the bottom front edge (**R7–R8**) for the tucked paws.
