each piece is worked in the order listed and sewn in the numbered assembly sequence; all stitch counts in this edition re-derive exactly from the written rounds.

Paper-verified edition: every stitch count, repeat multiplier, chain length and decrease schedule in this document was re-derived from its own instruction text. No sample was crocheted, blocked, weighed or measured, so all sizes, yarn quantities and times are targets for you to confirm on your first make.

Three palm-sized amigurumi that slip into a coat pocket - Sunny the Sunflower, Waddle the Penguin and Spud the Potato. They share one easy construction and work up in an evening or two.

FINISHED SIZE Sunny: about 3.0 cm across the petals. Waddle: about 3.8 cm tall. Spud: about 2.7 cm long. DK cotton (#3) on a 2.5 mm hook. Sunny’s petals are worked directly onto her centre; Waddle’s wings, chest and beak are sewn on; Spud starts around a chain and closes with one short seam.

Safety — read this first

The set uses six 5 mm plastic safety eyes. If an eye, washer or surrounding stitch fails, it can release a small part: insert the six 5 mm safety eyes and lock every washer from the inside BEFORE stuffing and closing each piece, then check each eye and the fabric by hand. An embroidered-face version removes the plastic eye components but does not establish age suitability.

No finished trio has been shown by Novality Store to comply with ASTM F963, EN 71 or another toy-safety regime; do not market one as “baby-safe” or compliant. Calling a smiling, filled item an “adult collectible” or adding an age warning does not by itself determine its legal classification or replace required evidence. Before supply, the finished-item maker or seller must assess intended and reasonably foreseeable use and meet all testing, documentation, labelling and traceability duties in every destination market.

Materials

- Yarn: DK cotton (#3, ~300 m / 100 g). The three toys use roughly 8 m total (under 3 g), so scraps are fine. Golden yellow + chocolate (Sunny); black + cream chest + yellow beak (Waddle); warm tan (Spud).
- Hook: 2.5 mm (US C-2).
- Eyes: six 5 mm black safety eyes, or embroidery thread.
- Also: about 3 g fibre fill total, blunt tapestry needle, stitch marker, scissors.

Gauge & size

Gauge: about 3.5 mm per stitch and 3.2 mm per round in sc. Pocket size means gauge shows - work a swatch; the stated sizes follow from it.

Abbreviations (US terms)

MR - magic ring · ch - chain

sc - single crochet · hdc - half double crochet

inc - increase (2 sc in one st) · dec - invisible decrease

sl st - slip stitch · BLO - back loop only

st(s) - stitch(es) · FO - fasten off · (n) - stitch count at round end

Techniques: continuous spiral rounds with a marker (no joins); magic-ring start for Sunny's centre and Waddle's body; invisible decreases; petal CLUSTERS worked into one stitch with a slip stitch between petals; an OVAL worked around a chain for Spud; and simple sewing / embroidery.

Instructions

1. Sunny the Sunflower

A small brown cushion; Rnd 4 is worked in the back loops so nine yellow petals can be added later to the exposed front loops of Rnd 3.

Centre - chocolate

Rnd	Instruction	Sts	Note
R1	6 sc in MR	(6)	-
R2	inc in each st around	(12)	-
R3	[sc, inc] x 6	(18)	petals join here
R4	BLO sc in each st around	(18)	lock eyes and embroider mouth now; leave Rnd 3 front loops free
R5	[sc, dec] x 6	(12)	-
R6	dec x 6	(6)	stuff firmly before closing

Petals - yellow (worked in the round)

Rnd	Instruction	Sts	Note
Petal	after closing the centre, join yellow with a sl st in any EXPOSED front loop of Rnd 3 (this counts as the first sl st); (sc, hdc, sc) in next front loop, [sl st in next front loop, (sc, hdc, sc) in next front loop] x 8, sl st to the first sl st, FO	(36)	9 petals; use Rnd 3 front loops only

Count check: Rnd 4 was worked BLO, so all 18 front loops of Rnd 3 are visible after the cushion is closed. The joining slip stitch counts as the first of 9 slip stitches. 9 sl sts plus 9 petals of (sc, hdc, sc) = 9 + 27 = 36 stitches, using exactly 2 exposed front loops per petal set. The slip stitch sits in the valley between petals; work this round loosely (use a 3 mm hook for this round only if it pulls tight). FO and weave in.

Face: if using safety eyes, insert the posts between Rnds 2 and 3, 3 stitches apart, and LOCK the washers immediately after Rnd 4. At the same pause, embroider a smiling mouth across Rnds 2-3 and knot its ends inside before the decreases and stuffing; do not wait until the centre is closed. If embroidering the eyes, 4 stitches apart also fits - complete and secure them at this same pause.

2. Waddle the Penguin

Body - black

Preparation: make both wings, the chest patch and the beak from the subsections below before starting the body. They are attached at the Rnd-9 pause while their tails can still be secured inside.

Rnd	Instruction	Sts	Note
R1	6 sc in MR	(6)	-
R2	inc in each st around	(12)	-
R3	[sc, inc] x 6	(18)	position eyes between Rnds 3 and 4
R4-6	sc in each st around (3 rnd)	(18)	-
R7	[2 sc, inc] x 6	(24)	chest over R4-8
R8-9	sc in each st around (2 rnd)	(24)	after R9: lock eyes, attach all pieces and embroider blush before R10
R10	[2 sc, dec] x 6	(18)	-
R11	[sc, dec] x 6	(12)	-
R12	dec x 6	(6)	stuff as you go, close

Wings - black (make 2)

R1	4 sc in MR	(4)	-
R2	[sc, inc] x 2	(6)	-
R3-4	sc in each st around (2 rnd)	(6)	-

FO with a 15 cm tail and do not stuff. At the Body Rnd-9 pause, sew the wings to the sides at Rnd 6 angled backward; make a second seam pass and knot the tails inside.

Chest patch - cream (flat oval)

Rnd	Instruction	Sts	Note
Found.	ch 6	-	-
R1	sc in 2nd ch, 3 sc, 3 sc in last ch, then down the other side 3 sc, 2 sc in last ch	(12)	-
R2	inc, 3 sc, inc x 3, 3 sc, inc x 2	(18)	-

FO with a tail. At the Body Rnd-9 pause, add enough stuffing to round the body while keeping the opening clear, then sew the full oval perimeter onto the front over Rnds 4-8 and knot the tail inside. Do not pull the seam tight: the curved body will let the centre puff naturally. A complete perimeter is more secure than leaving the side edges open.

Beak - yellow

Rnd	Instruction	Sts	Note
R1	ch 2, 3 sc in 2nd ch from hook	(3)	-
R2	inc x 3	(6)	-
R3	sc in each st around	(6)	-

FO and do not stuff. At the Body Rnd-9 pause, place the safety-eye posts between Rnds 3 and 4, 3 stitches apart and LOCK both washers. Sew the beak centred between them, angled slightly down, and knot the tail inside. Add optional short pink blush stitches now and knot their ends inside. Complete all of this before Rnd 10 starts the decreases.

3. Spud the Potato

Spud is worked as an oval around a chain, then flat-stitched closed so the seam reads as a natural crease.

Body - warm tan

Rnd	Instruction	Sts	Note
Found.	ch 7	-	-
R1	sc in 2nd ch, 4 sc, 3 sc in last ch; other side: 4 sc, 2 sc in last ch	(14)	around the chain
R2	inc, 4 sc, inc x 3, 4 sc, inc x 2	(20)	-
R3-6	sc in each st around (4 rnd)	(20)	after R6: lock eyes and embroider mouth before R7
R7	[3 sc, dec] x 4	(16)	-
R8	[2 sc, dec] x 4	(12)	-
R9	[sc, dec] x 4	(8)	begin stuffing
R10	dec x 4	(4)	close the seam

Closing: leave a 20 cm tail. With the body flat, whip-stitch the remaining opening closed along the flat top so the seam reads as the potato's natural crease; weave the end inside.

Face: insert the safety-eye posts between Rnds 4 and 5 on the broad side, 4-5 stitches apart. Immediately after Rnd 6, LOCK the washers and embroider a small open mouth below; knot and bury the floss ends inside before Rnd 7 begins decreasing. Spud's face is about 27 mm wide, so either 4 or 5 stitches between the eyes fits.

Finishing & assembly

Before you finish, check each toy: Sunny has 9 even petals and a closed brown centre; Waddle has 2 wings, a cream chest and a yellow beak; Spud's seam reads as a crease. Every safety-eye washer is locked from the inside (before stuffing and closing) or the eyes are embroidered, and every end is woven in at least 5 cm.

Troubleshooting

- **Petal edges curl / centre will not close.** Use invisible decreases on the centre's Rnd 5 and pull the closing snug. Nine petal repeats use exactly 18 stitches (two each) - check Rnd 3 is (18) and you slip-stitched once per repeat.
- **Petals sit flat.** Work the three stitches in one stitch loosely, or use a 3 mm hook for the petal round only.
- **Toys come out smaller / larger.** Tighter than 3.5 mm per stitch: go up half a hook size. Looser: drop to a 2.25 mm hook. If changing yarn weight, make a new dense swatch instead of forcing doubled yarn onto the original hook.
- **Waddle's wings flop.** Sew at Rnd 6 and catch a stitch of the body with each pass.
- **Spud's seam shows.** Whip-stitch along the flat top so the seam reads as a crease, and stuff evenly before closing.
- **Eyes too near the edge.** On Sunny and Waddle place them three stitches apart, not four.

Making a bigger trio

Use bulky (#5) yarn with a 4.5 mm hook and make a dense swatch targeting about 4.5 mm per sc (about 1.3x the original gauge): Sunny ~3.9 cm, Waddle ~4.9 cm, Spud ~3.5 cm. Stitch counts do not change. Do not hold DK yarn double on the original 2.5 mm hook; that combination is usually too tight to work safely or evenly.

Colorways

Original trio: Sunny uses golden-yellow petals with a chocolate-brown centre; Waddle uses a black body, cream chest and golden-yellow beak; Spud uses warm tan. Faces are black. Optional coordinated variations: mustard and cocoa for Sunny, charcoal and oat for Waddle, and russet or sandy beige for Spud.

Selling & care

These designs may be displayed as desk companions, but a listing label alone does not determine product classification. Do not claim “baby-safe” or compliance without the required evidence. Stuff firmly and evenly. Spot clean with a damp cloth and reshape while drying; do not machine wash unless the actual yarn and completed sample have been wash-tested.

Safety reminder

This set uses 5 mm plastic safety eyes that may become small parts if the eye, washer or fabric fails. Embroidery removes those components but is not proof of overall compliance. The finished-item maker or seller must determine the applicable classification and meet all assessment, testing, documentation, labelling and traceability duties in each destination market. An age warning or “collectible” label is not a substitute for required evidence.

Verification summary

Every round count in this pattern was re-derived from its own instructions by an independent auditor (PASS: 9 ladder rows, 0 mismatches) and by the deterministic static-analysis engine crochet-check v1.0.0. No count below is sampled or hand-checked.

Edge Lineage	Every round consumes exactly the previous total	0
Open Boundaries	Open edges are closed or sewn deliberately	0
Gauge Bounding	Hook and gauge band consistent with stated size	0

Assembly map, count chart, ladder equivalents and the 5-axiom table are computed from the corrected master at compile time; no sampled results.
