Hamish

the Highland Cow

Amigurumi Crochet Pattern — worked in pieces, sewn with confidence

INTERMEDIATE | US TERMS | SIZE 14-15 CM | CODE NS01

Concept image (digital render — not a photograph of a finished sample), shown for colour and character. The pattern scarf is a plain solid-rust strip, and the fringe must be trimmed to clear the eyes (Section 8).

Meet Hamish

Concept image (digital render, not a photograph of a finished sample): the plaid scarf, fabric bandana and added coat fringe are styling only. The pattern makes the forehead fringe and a plain solid-rust scarf, with a ribbon option; hooves are chocolate (Yarn C).

A shaggy, sturdy Highland cow with a flattened brow, a wide cream muzzle and a rustic fringe. Hamish is worked in pieces — head, body, ears, horns, legs, muzzle and belly patch — so every proportion can be pinned and checked before sewing.

At a glance

Skill level	Intermediate — comfortable with spiral amigurumi, invisible decreases and sewing pieces
Finished size	Approx. 14–15 cm (5.5–6 in) seated at stated gauge — confirm on your sample
Gauge	11 sc × 12 rnds = 5 cm (2 in) in spiral single crochet
Hook	3.5 mm (US E-4) — smaller than the ball band so stuffing cannot show
Terminology	US crochet terms throughout
Time	Approx. 6–8 hours

Safety — read first.
Hamish uses two 12 mm plastic safety eyes. Lock each washer firmly from inside the head **before** stuffing and joining, then check the eye and fabric by hand. Sew every seam twice, weave ends in at least 5 cm, and secure every knot in the fringe and tail. If an eye, washer or stitch fails, a small part can be released: not suitable for children under 3. The optional scarf or ribbon is a **loose cord**: for children under 3, leave it off entirely, or use a short closed collar loop sewn flat all the way round with no free ends (many markets cap free cord length at about 20 cm — check your local rules first). Embroidered eyes remove the plastic-eye hazard but do not by themselves make a toy compliant — sellers must meet the toy-safety rules of their market.

How this pattern is written

- Work in a **continuous spiral** unless told otherwise; use a stitch marker in the first stitch of each round.
- **R1, R2 …** means Round 1, Round 2. The number in brackets at the end of each round, e.g. (48), is the **stitch count** — count often, especially after increase and decrease rounds.
- **Stuff as you go** where instructed; the head and body are joined through their matched 24-stitch openings.

- Rounds are written top-down for the head and bottom-up for the body — follow the section headings.

Materials & Tools

Your kit (concept image): Yarns A–C, 3.5 mm hook, safety eyes with washers, needle, pins, stitch marker, scissors, stuffing and optional ribbon.

Item	Details
Yarn A — Ginger	Worsted / aran (#4), approx. 35 g including fringe. Caramel, toffee or ginger gold.
Yarn B — Oat cream	Worsted / aran (#4), approx. 12 g — muzzle, horns, inner ears, optional belly patch.
Yarn C — Dark chocolate	Worsted / aran (#4), approx. 5 g — hooves and nostril embroidery.
Yarn D — Rust (optional)	Worsted / aran (#4), approx. 6 g for the scarf — or a generous 40 cm ribbon, fitted on the finished cow.
Hook	3.5 mm (US E-4)
Eyes	Two 12 mm black safety eyes — or black embroidery floss for an embroidered-eye version.
Notions	Polyester fiberfill (approx. 35 g), stitch marker, tapestry needle, pins, scissors.

Gauge — check before you start

Work **Rounds 1–6 of the Head** (Section 1) as your swatch: the flat disc should measure **about 5 cm across**. If it is larger, try a smaller hook; if smaller, a larger hook. Keep tension firm — stuffing should never show through.

Printing note: nothing in this pattern is measured from the page — all sizes come from your stitch counts and this swatch — so print at 100% or “Fit to Page”, on A4 or US Letter, as you prefer.

Abbreviations (US terms)

MR	magic ring	inc	2 sc in the same stitch
ch	chain	dec	invisible decrease (front loops of next 2 sts together)
sl st	slip stitch	BLO	back loop only

© Novality Store — personal use; finished items may be sold in small batches with credit.

sc	single crochet	FO	fasten off
hdc	half double crochet	R / rnd	round (R1 = Round 1)
st(s)	stitch(es)	lark's-head knot	fold a strand in half; pull the folded loop through the stitch, then pull the loose ends through the loop and tighten

Before you start.
Read the Assembly section (near the end) once through. The head and body both finish at **24 stitches** and stay open; the legs keep their top openings for sewing; the muzzle, ears and horns are sewn onto the head **before** the head is joined to the body.

Pattern

1 Head — Yarn A (top-down, continuous spiral)

R1 6 sc in MR **(6)**
R2 inc in each st around **(12)**
R3 [sc, inc] × 6 **(18)**
R4 [2 sc, inc] × 6 **(24)**
R5 [3 sc, inc] × 6 **(30)**
R6 [4 sc, inc] × 6 **(36)**
R7 [5 sc, inc] × 6 **(42)**
R8 [6 sc, inc] × 6 **(48)**
R9–R15 sc in each st around (7 rnds) **(48)**

Insert the 12 mm safety eyes between **R10 and R11**, 7 stitches apart centre-to-centre. Mark the stitch midway between the eyes as your **front-centre line** — horn, ear and fringe positions are counted from it. Lock the washers firmly inside.

R16 [6 sc, dec] × 6 **(42)**
R17 [5 sc, dec] × 6 **(36)**
R18 [4 sc, dec] × 6 **(30)**
R19 [3 sc, dec] × 6 **(24)**

Stuff the head firmly. FO after R19 with a 45 cm sewing tail. **Leave the 24-stitch neck opening unclosed.**

2 Muzzle — Yarn B

R1 6 sc in MR **(6)**
R2 inc in each st around **(12)**
R3 [sc, inc] × 6 **(18)**
R4 [2 sc, inc] × 6 **(24)**
R5–R6 sc in each st around (2 rnds) **(24)**
R7 [2 sc, dec] × 6 **(18)**

FO with a 35 cm tail. Embroider two diagonal nostrils (Yarn C) on the upper front and secure the tails inside. Lightly stuff, flatten into a wide horizontal oval, and sew centred on the front-centre line below the eyes over **Head R13–R16** — see Assembly step 1.

3 Body — Yarn A (bottom-up, continuous spiral)

R1 6 sc in MR **(6)**
R2 inc in each st around **(12)**
R3 [sc, inc] × 6 **(18)**
R4 [2 sc, inc] × 6 **(24)**
R5 [3 sc, inc] × 6 **(30)**

R7 [5 sc, inc] × 6 **(42)**
R8 [6 sc, inc] × 6 **(48)**
R9 BLO sc in each st around — flat sitting base edge **(48)**
R10–R16 sc in each st around (7 rnds) **(48)**
R17 [6 sc, dec] × 6 **(42)**
R18 sc in each st around **(42)**
R19 [5 sc, dec] × 6 **(36)**
R20 [4 sc, dec] × 6 **(30)**
R21 [3 sc, dec] × 6 **(24)**
Stuff firmly, packing the flat base so Hamish sits level. FO with a 45 cm tail; **leave the 24-stitch neck open**.

4 Belly Patch — Yarn B (optional)

Ch 6.
R1 sc in 2nd ch from hook, 3 sc, 3 sc in last ch; along opposite side of chain: 3 sc, 2 sc in first working ch (the same chain your first sc went into) **(12)**
R2 inc, 3 sc, inc × 3, 3 sc, inc × 2 **(18)**
R3 sc, inc, 3 sc, [sc, inc] × 3, 3 sc, [sc, inc] × 2, sl st to first sc **(24)**
FO with a 30 cm tail. Sew vertically, long axis upright, to the centre front of the body over **R10–R16**, so the patch ends just below the first decrease round (R17).

5 Legs — start Yarn C, change to Yarn A

Choose **Option A** — four splayed Standard Legs — or **Option B** — upright sit: 2 Standard Legs (back) + 2 Shortened Front Legs. Standard legs sew over the lowest body rounds **R9–R11** (just above the flat base); the wider 12-stitch Option B shortened fronts sew over **R9–R12** — see Assembly.

Standard Legs (make 4 for Option A; 2 for Option B backs)

R1 (C) 6 sc in MR **(6)**
R2 inc in each st around **(12)**
R3 [sc, inc] × 6 **(18)**
R4 BLO sc in each st around — flat hoof sole **(18)**
R5 sc in each st around **(18)**
R6 sc in each st around; change to **Yarn A** on the last pull-through **(18)**
R7 (A) BLO sc in each st around — colour-transition ridge **(18)**
R8 [sc, dec] × 6 **(12)** — stuff the hoof firmly
R9–R13 sc in each st around (5 rnds) **(12)**
R14 [2 sc, dec] × 3 **(9)** — stuff the upper leg lightly
R15–R16 sc in each st around (2 rnds) **(9)**
FO with a 35 cm sewing tail; leave the 9-stitch top open.

Shortened Front Legs (Option B only, make 2): work R1–R8 of the Standard Leg, then R9–R10 sc in each st around (12). Stuff the hoof firmly and the top lightly. FO with a 35 cm tail; leave the 12-stitch top open.

6 Flat Layered Ears — 2 Outer (Yarn A) + 2 Inner (Yarn B)

R1 6 sc in MR **(6)**
R2 inc in each st around **(12)**
R3 [sc, inc] × 6 **(18)**
Inner ear (B): FO and weave in ends. **Outer ear (A):** do not FO. Mark the first stitch of each layer; place inner and outer **wrong sides together** (cream facing front), markers aligned, and work **18 sc in Yarn A** through corresponding stitches of both layers. FO with a 30 cm tail. Pinch 3 bottom stitches together and tack closed to cup the ear. **Placement:** sew to **Head R8–R10** with the centre of each ear base about **10 stitches from the front-centre line**; pin both ears and mirror-check before sewing.

7 Horns — Yarn B (make 2)

R1 4 sc in MR **(4)**

R2 [sc, inc] × 2 **(6)**

R3–R4 sc in each st around (2 rnds) **(6)**

R5 [2 sc, inc] × 2 **(8)**

R6–R7 sc in each st around (2 rnds) **(8)**

FO with a 30 cm tail. Stuff the tip lightly. For a gentle upward curve, pinch R4 to R5 on the inner side with one tiny hidden stitch. **Placement:** sew all 8 base stitches to **Head R6–R8**, centred about **7 stitches from the front-centre line** and slightly toward the face from the ears; pin and mirror-check first.

8 Tail & Fringe — Yarn A

Tail: cut 6 strands of Yarn A, 22 cm each. Attach with lark's-head knots into 2 adjacent stitches at the centre back on **Body R10**, clear of the back legs. Divide the 12 hanging ends into **3 groups of 4** and braid for 4 cm. Tie an overhand knot and trim the tassel to 1.5 cm.

Fringe: cut 36–40 strands of Yarn A, 14 cm each (you will trim most of the length away; 8 cm strands reduce waste). Attach with lark's-head knots in a horseshoe across the forehead on **Head R6, R7 and R8**, between the horns. The horseshoe has roughly 30 stitch positions, so some stitches take two strands. Comb the strands down, then trim: centre strands should end **just above the eye line** — at this gauge the eyes sit only about 1 cm below R8 — in a shallow V, and side strands shorter still, so the fringe **clears the eyes**. Never leave it hanging over the eyes or down to the muzzle.

9 Scarf — Yarn D (optional)

Ch 92.

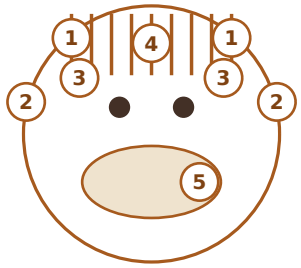

Row 1 hdc in 3rd ch from hook and in each ch across; ch 2 (does not count), turn **(90)**

Row 2 hdc in each st across; FO and weave in ends **(90)**

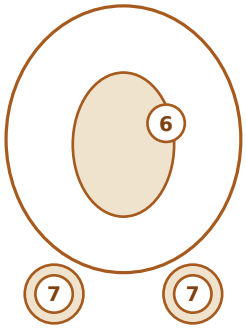

Try the scarf on the finished cow and add rows for a longer drape — or tie on a 40 cm ribbon. **Cord safety:** for babies and toddlers, leave the scarf off entirely, or work a short closed collar loop and sew it flat all the way round so nothing dangles. Never leave long free ends: many markets cap free cord length at about 20 cm — check your local toy rules.

Assembly

Placement map (schematic)

HEAD - front

BODY - front

Key: 1 Horns R6–R8 · 2 Ears R8–R10 · 3 Eyes R10/11 · 4 Fringe R6–R8 · 5 Muzzle R13–R16 · 6 Belly patch R10–R16 · 7 Front legs R9–R11 (Option B fronts R9–R12). Back legs sit on the rear flanks; the tail goes at centre back on R10. Positions count from the front-centre line: horns ~7 sts out, ears ~10 sts out, eyes 7 sts apart, and 8 body stitches sit between the front legs' inner edges.

1. **Face first (head still open).** Sew the **muzzle** centred on the front-centre line over Head R13–R16. Then pin the **ears** (R8–R10, ~10 sts from centre) and **horns** (R6–R8, ~7 sts from centre, slightly toward the face); check the pairs mirror each other, then sew. Attach the **fringe** last and trim

it clear of the eyes.

2. **Head to body.** Align the 24 open stitches of Head R19 with the 24 of Body R21, face forward. Whipstitch all 24 matched pairs **twice** — head tail for one pass, body tail for the second — topping up neck stuffing before the final 3 pairs.
3. **Front legs (lowest body rounds, just above the flat base).** Pin Standard fronts over **R9–R11** and the wider Option B shortened fronts over **R9–R12**, leaving **8 body stitches between the inner edges**. Angle forward so the hooves rest flat. Sew around the whole open rim twice — all **9 rim stitches** on Standard Legs, all **12** on Option B shortened fronts.
4. **Back legs and tail.** Pin the back legs on the rear flanks at R9–R11, angled outward. In **Option A** (all legs equal) angle them so the back hooves sit wider than the front hooves; in **Option B** the longer back legs give the upright sit. Keep the centre-back stitch column free, then attach the **tail at centre back on Body R10** (Section 8) and braid it in 3 groups of 4.
5. **Belly patch (optional).** Sew vertically to the centre front over Body **R10–R16**.
6. **Scarf or ribbon (optional).** Tie on and adjust the fit. For any cow that may go to a child under 3, leave it off entirely, or swap it for a short closed collar loop sewn flat all the way round — stitching at the neck alone still leaves dangling ends.

Finishing checklist

- Every seam sewn **twice**; all ends woven in at least 5 cm and trimmed.
- Safety-eye washers locked and checked by hand (skip if embroidered).
- Fringe trimmed **clear of the eyes**; fringe and tail knots secure.
- No loose cords on under-3 makes: scarf off, or a closed loop sewn flat with no free ends.
- Hamish sits level, face centred, hooves flat.
- Brush the fringe gently with your fingers to separate the strands.

Care

Spot-clean with a damp cloth and reshape while drying. If washing is unavoidable, hand-wash cool, press water out in a towel, reshape and dry flat. Re-check all seams and eyes after washing.

Make it yours

- **Colourways:** classic ginger, soft grey, cream or chocolate Highland — keep the muzzle and inner ears in a pale contrast.
- **Eyes:** embroidered sleeping eyes give a baby-gift look (and remove the plastic-eye hazard).
- **Finish:** crochet scarf, plaid ribbon, or a tiny fabric bandana as in the concept images — sew it flat, or leave it off, for young children.

Your notes
